Volunteering

2009-Present

The Israel of God

Volunteer with sound mixing and recording. I also help with filming the services and mixing videos.

Spring 2014

Refugee Empowerment

Volunteered to tutor and assist students K-12 with there homework.

Internship

Summer 2015

Baker and Hill

Storyboarded and animated a skit for PWC which was contracted through Baker and Hill. Primarily I worked through emails.

Experience

Summer 2016

Fleet Safety & Equipment

Cooperated with the Vice President and web developers rendering 3D lights and embedding them into their website fleetsafety.com. Daily this had me matching each police lights with the proper digital color scheme in After Effects. After adding the color to the lights, I uploaded them to their site.

2012-2015

Memphis College of Art Work Study

Collaborated with faculty and students to supply undergraduates with information regarding admissions. This regularly has me filing papers, mailing letters, and creating catalog packets for undergraduates.

Summer 2013

Simos

Manually removed and arranged freight from cargo trucks and shrink-wrapped them to wooden pallets so that freight can be properly labeled for transport.
